

How to get to the “Stadthaus”:

Pflegestützpunkt

Offenbach am Main

Care support centre
Joint sponsorship by the
Health Care Insurance Funds and the
City of Offenbach am Main

The Care Support Centre provides support
for care and assistance issues.

- ◆ Information
- ◆ Counselling
- ◆ Assistance
- ◆ Management
- ◆ Coordination

The care support centre offers support for:

- ◆ persons in need of care
- ◆ family member carers
- ◆ disabled persons
- ◆ persons likely to become disabled and dependent on care services

We are your first contact for all your queries.

We offer neutral and free assistance.

We inform independently and consumer oriented.

We visit you at your home, if requested.

We are at your side providing practical support and taking care of your needs long-term.

Our range of services includes:

- ◆ Comprehensive and independent **information and counselling** on the selection and use of social and support services.
- ◆ **Coordination** of all support services for local assistance and care including support in using these services.
- ◆ **Interlinking** and modifying the social and care services.

The care support centres cooperate with all institutions and services involved in prevention, rehabilitation, care and assistance in organizing one's life

How and when can you reach us:
