

ZOOM WEBINAR CHEAT SHEET

Zoom Webinar

This is not a typical Zoom meeting, rather a webinar format. Some functions like joining with video and audio are not available to the attendees.

Main Zoom window

Where you'll see our speakers as well as their presentation. The moderators will join in before and after the talks.

Toolbar

You can use the toolbar at the bottom to open a Chat and Q&A window.

Chat window

You can use the chat for discussions among the attendees during the panels. Please make sure that the "To:" field is set to "Panelists and Attendees" to reach everyone. Or you can send direct messages to individuals.

Q&A window

This is the place to ask the panelists questions. Our moderators will collect all contributions and relay your questions after the talks.

Leave Meeting button

You can leave the ongoing meeting for a break, since you will be able to join us later through the same Zoom link on each day.
